Hot-swappable double power supply

Rack installation for OLT equipment

Hot-swappable double power supply for OLT feeding

Ref.769601

Art.Nr

OLTUPSU

EAN13

8424450182741

Highlights

- High efficiency
- Hot swappable double power supply: subscriber service is not interrupted
- -48 VDC per module

Main features

- 19"-rack installation, 1U height, for GPON headends
- OLT connection cables provided
